PROJECTS

Small Business and Commercial Corridor Revitalization Program: Amendment Number 5 for City of Detroit Contract Number 6000226 for Contract Term Extension Under Amended and Restated Subrecipient Agreement

Mr. Batton advised, as the Board is aware, at the request of the City of Detroit (the “City”) Mayor’s Office and Housing and Revitalization Department (“HRD”), the Economic Development Corporation of the City of Detroit (“EDC”), is administering small business and commercial corridor revitalization programs, including the programs known as Motor City Match and Motor City Re-Store (the “Programs”).

The Programs are currently implemented pursuant to subrecipient agreements with the City General Funds. In February 2020, the current subrecipient agreement (contract number 6000226) (the “Agreement”) was amended for additional funding.

In order to continue the Programs, subject to City Council approval, HRD has agreed to amend the expiration date of the Agreement from January 31, 2021 to June 30, 2021 (the “Proposed Amendment”). The Agreement term shall expire on June 30, 2021.

EDC staff recommends that the EDC Board of Directors approve the Proposed Amendment. A resolution was included for the Board’s consideration.

Ms. Forte called for questions.

Ms. Bruhn asked for an update on the Motor City Match grant recipients. She expressed concern about the small businesses and how they are doing during the pandemic. Ms. Bruhn also asked how staff is monitoring the businesses and requested feedback on how they are doing.

Mr. Baton advised that he would be happy to present an update at the next EDC Board meeting. Staff knows that the pandemic is disproportionately affecting Detroit minority-owned and woman-owned businesses and have been staying in contact with these businesses. Last year, through this body, a grant fund was set up that utilized some underutilized funding from the Motor City Match Program to provide cash grants that were only available to Motor City Match awardees for businesses impacted by COVID. Approximately $800,000 was disbursed to these businesses. We’ve also made sure these businesses were aware of other help that was available, such as the Paycheck Protection Program.

Ms. Forte stated that she thinks a presentation at the next meeting is an excellent idea and knows that the Board is intensely interested in receiving an update.
Ms. Forte noted that the extension is for a short term, questioned why the extension is only through June 30, 2021, and asked what is expected beyond that date.

Mr. Batton responded that as the Board will recall, when the City entered the HUD monitoring a couple of years back, it was the City’s decision to RFP the next contract. There are some modifications that need to be made to a future program to allow it to utilize CBDG funds again. The City believes that it helps them with some of the compliance pieces if they RFP to select a vendor and operator for the program, as opposed to sole sourcing a vendor for the program. This contract extension is short for us to cover existing awardees that are a part of the program. Once the City formally puts out an RFP, the EDC may respond to the RFP to continue running the program.

Ms. Forte called for a motion.

Mr. Hodge made a motion approving the Extension of the Term of the City of Detroit Contract Number 6000226, as presented. Mr. Osei seconded the motion. A roll call vote was conducted with the following result:

Ayes: Mr. Brown, Ms. Bruhn, Ms. Clayson, Mr. Hodge, Mr. Jackson, Mr. Osei, Mr. Quarles, and Ms. Forte.
Nays: None.
EDC Resolution Code 21-02-91-113 was approved.

Motor City Match Recommendation to Update Previously Approved Awardee Address

Mr. Lucco advised that since June 1, 2015, the EDC’s Motor City Match program began accepting applications for the Business Owner “Cash” Award Track. The “Cash” Award Track awards businesses who have a business plan, a secured space, and funds available to invest in their project a grant up to $100,000 to assist in the business’ project.

Upon submission of an application for the “Cash” Award Track and the subsequent approval of an award to selected Motor City Match awardees, awardees are required to identify the location of their business. Loose Massage Therapy Plus LLC (the “Awardee”) was awarded a Motor City Match “Cash” award on January 10, 2017 in the amount of $30,000. Since then, the Awardee began requesting and utilizing disbursements of the grant for the purchase of fixtures and equipment for its business and $8,581 remains in grant funds available for Awardee’s project. The Awardee changed its project location in the Spring of 2019 and has been operating out of the Awardee’s home and temporary locations since that time. Completion of construction in the new location was expected in the Spring of 2020, however those plans were delayed by the onset of the Coronavirus pandemic. Though delayed, the awardee is now ready to continue and complete construction in their new space. In order for the Awardee to complete its project and use
the remaining funding under its respective “Cash” grant award, EDC staff recommends that the 

Awardee’s business address be updated in accordance with the following:

<tr>
<th>Awardee</th>
<th>Round</th>
<th>Original Location</th>
<th>New Location</th>

<td>19323 Livernois, Detroit, MI 48221 (Avenue of Fashion, District 2)</td>
</tr>
</tbody>
</table>

A resolution approving the staff’s recommendation to update the Awardee’s business address as stated herein was included for the Board’s consideration.

Ms. Forte called for comment/question. Hearing none, the Board took the following action:

Mr. Osei made a motion approving the Update of a Previously Approved Awardee’s Address, as presented. Ms. Clayson seconded the motion. A roll call vote was conducted with the following result:
